

SPECIAL INTEREST TOURS

Apart from other tour programs we published on our website, we can offer programs to suit your client's interests at any other time of the year. These special programs will be put together upon request. Please supply us with the client(s) specific interests, intended dates of travel and their anticipated international arrival and departure flight details. We cater for all travel requirements from F.I.T to groups. We arrange boat charters, car rentals, accommodation booking, sporting events, airport/hotel transfers, meet/greet services, day tours, birding watching, shore excursions for cruise ships and private jet charter flight passengers, diving, trekking, canoeing, cycling, 4WD Safari's, cultural festivals and much more. As such, we take people to all corners of the country, from towns and cities to remote areas visiting native villages, chatting with the locals and participating in the daily activities and studying the lifestyle, traditions and cultures of each area visited. Visits to areas of active volcanoes, sharking calling, island visits, beach walks, snorkeling, harbor cruises are some of the activities available. **SAMPLE OF SPECIAL INTEREST TOURS**
